Mr Rick Coco  
Re Max Partners  
Andover, MA

Dear Rick,

We wanted to follow up with this thank you note for the great job you did in selling not only our Chelmsford home, but also our Aunt's Andover home as well. From your initial market analysis to the final closing, you made sure everything would go as smoothly as possible. You would always keep us fully informed, without us having to call you. Your knowledge of the market helped us get the fairest price for our home, and avoided listing it at a significantly lower price as estimated by an unnamed Chelmsford Realtor.

It was a pleasure working with you and your staff.

Sincerely,

Jack & Annette Briggs
