AVAILABILITY OF MATERIALS

Builder shall not be responsible for lack of
availability of a product used in the construction
of the dwelling or discontinuance of product.
Builder reserves the right to substitute products
of equal or better quality and / or function when
and where necessary. If, during construction, a
material or product shortage develops which
would cause a change in basic characteristics or
appearance of the house, Builder shall seek input
from Owner.

ADDITIONAL DETAILS

IN CASE OF ANY DISCREPANCY BETWEEN PLANS AND SPECIFICATIONS, THE SPECIFICATIONS SHALL PREVAIL

All aspects of construction will meet all
applicable building codes and are subject to
inspection and approval of the local building
inspector.

Any and all extras, overages, expenditures in
excess of allowances, modifications, changes and
upgrades shall be paid for at the time of the
request / order. Same must be requested in
writing and will be billed at cost plus 15%.
Payments for same will not be refundable to

Owner in any event except the material breach hereof by Seller.

Owner will have 2 weeks from date of request to make selections for each item. Builder's trade discount will be applied to cost of materials purchased through Builder's regular suppliers.

Owner is responsible for material, workmanship, delivery, installation and payment for all materials not purchased through contractor's suppliers unless otherwise agreed to in writing. Changes or special orders during the course of construction may cause a delay in the completion date for which delay the contractor shall not be responsible.

Materials, prices and specifications subject to change depending upon material availability.

Owner is free to visit property during working hours only when accompanied by the Builder or Builder's designated agent. All visits shall be arranged through the Builder.

Owner shall not interfere with completion of construction and shall refrain from giving directions, commands or orders to any Subcontractor, to any Sub-subcontractor or to any agent, employee or servant thereof. When present at the Premises, the Owner, and Owner's agents, servants, employees and invitees shall follow and comply with any and all reasonable rules, regulations and directions of Builder, whether same be oral or in writing. In the event that Owner desires to give specific instructions or directions, Owner shall discuss same with Builder and only with Builder.
