William Balkus graduated from the Rhode Island School of Design, one of the finest architecture and design colleges in the country, taught interior design at the college level for six years, and has been practicing architecture on the North Shore for over 20 years

## Peter Fitzpatrick, Carpenter

Known as one of the area's finest carpenters. Peter has worked on many of the premium homes on the North Shore. His craftsmanship and attention to detail are unexcelled.

## Ed Curtis, Curtis Cabinetry

Curtis Cabinetry opened its doors 24 years ago by Ed Curtis. Since then, we have been designing, manufacturing, and installing custom cabinetry, for every room of the home, in Boston, the North Shore, and throughout Massachusetts. We are a professional shop producing and installing high end cabinetry, cabinetry made to fit your space perfectly. The quality and workmanship are unparalleled.

### **Sample of Testimonials for Ed Curtis:**

- “At our newest development in Topsfield, English Commons, we are extremely pleased with the quality and workmanship of Curtis Cabinetry. We find the quality and attention to all of the details to be remarkable. The installations are done by quality craftsman who follow the proper installation methods and are respectful to the homes they are working in.”  
*Alan Berry, C.P. Berry Construction*

- “Over the past 5 years it has been my privilege to work with Ed Curtis and his staff at Curtis Cabinetry. As a designer of custom wine cellars and entertainment areas, we work in some very high end custom homes throughout New England. The majority of our design and material requirements are unique and Curtis Cabinetry has always been able to deliver a top quality product. Ed’s experience and production efficiency has always proven itself to give Curtis Cabinetry a decisive advantage over all other custom cabinetry producers in the area.”
