

DON'T FALL BEHIND!

NEWLY LICENSED REAL ESTATE AGENTS

Don't get "swept away" in today's market or let your potential just get "blown away."

EXPERIENCED AGENTS

Are your numbers falling like leaves on a tree?

The **100 Days to Greatness**[®] Training Program is meant for you. Listen to what these agents have said:

*"Being new to Real Estate, taking Brian Buffini's **100 Days to Greatness**[®] class has taught me how important it is to build relationships. I immediately started implementing what I was learning and before I completed the class, I got my first client. Upon completion of **100 Days to Greatness**[®], I closed two deals!"*

Gwendolyn Irby, Realtor, RE/MAX Excelsior

*"Brian Buffini's **100 Days to Greatness**[®] provides the essential basis by which ALL realtors (new and seasoned) should work if they wish to attain their goal of building their business exclusively by referral. By following his methods, not only did I close two FSBO deals, but I've also created great business relationships."*
