

The purchase or sale of a home is one of the most important financial decisions a person makes. Often it engenders a very high level of stress. It is my goal to minimize that stress by bringing to the process my professionalism, my experience, and the resources of RE/MAX.

Growing up in Beverly for twenty years and residing on Cape Ann for forty plus years gives me a wealth of experience with and knowledge of the Cape Ann and North Shore areas. Twenty years of commuting to Boston made me intimately aware of the benefits of living here and working there.

Whether you are buying or selling your first home or your tenth, this is an important decision for you. Your interests come first with me. Your goals become my goals and I do everything within my power to help you achieve your goals.
